## ***Next-generation Borderless Non-touch Display***

The Newline STV Serie is the next-generation non-touch display; 4K HD resolution, 1 mm ultra-thin bezel, and High Dynamic Range offer users an immersive audiovisual experience.

Team Collaboration with wireless casting connectivity allows users to share their ideas with Windows, Mac, Android, and iPhone in the classroom, huddle room, and conference room with simplicity.

Newline STV is equipped with HDMI signal detection, enabling quick and automatic switching connection. Users can also access Word, spreadsheet, and embedded document files from USB flash drives, enhancing convenience and flexibility.
